Disclosure of Unlabeled Use

The faculty of this educational activity may include discussions of products or devices that are not currently labeled for use by the FDA. Faculty members have been advised to disclose to the audience any reference to an unlabeled or investigational use.

No endorsement of unapproved products or uses is made or implied by coverage of these products or uses in our reports. No responsibility is taken for errors or omissions in reports.

Please refer to the official prescribing information for each product for discussion of approved indications, contraindications and warnings.

Target Audience

This activity has been designed to meet the educational needs of oncologists, oncology nurses, and other clinicians involved in managing patients with lung cancer.

Program Description

In this activity, experts discuss the latest clinical trial data on the use of maintenance therapy, the clinical role of biomarkers in selecting the most appropriate therapy, and the potential of novel agents and combination strategies for advanced lung cancer.

Educational Objectives

Upon completion of this activity, participants will be able to:

- Summarize the most recent efficacy and safety data concerning the use of maintenance therapy in patients with advanced non-small-cell lung cancer (NSCLC) who have achieved disease stabilization after first-line therapy
- Describe the impact cell histology and predictive/prognostic markers may have on treatment of patients with advanced NSCLC
- Evaluate and assess the most recent clinical data pertaining to new agents and combinations for advanced lung cancer

Accreditation and Credit Designation Statements

Physicians

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Florida College of Medicine and PVI, PeerView Institute for Medical Education. The University of Florida College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Florida College of Medicine designates this educational activity for a maximum of 0.75 *AMA PRA Category 1 Credit*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses

Amedco is an approved provider of continuing nursing education by the Wisconsin Nurses Association Continuing Education Approval Program Committee, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

The course is co-provided by Amedco and PVI, PeerView Institute for Medical Education. 0.75 contact hour(s).
