Disclosure of Unlabeled Use

The faculty of this educational activity may include discussions of products or devices that are not currently labeled for use by the FDA. Faculty members have been advised to disclose to the audience any reference to an unlabeled or investigational use.

No endorsement of unapproved products or uses is made or implied by coverage of these products or uses in our reports. No responsibility is taken for errors or omissions in reports.

Please refer to the official prescribing information for each product for discussion of approved indications, contraindications and warnings.

Target Audience

This activity has been designed to meet the educational needs of sleep specialists, psychiatrists, neurologists, gynecologists, primary care physicians, and nurses.

Program Description

This CME/CE activity uses a case-based format to review the differential diagnosis of sleep disorders in 2 older women, discuss the latest clinical data on agents used to treat insomnia and sleep disorders, and assess strategies to individualize therapy for patients based on their specific needs and characteristics.

Case 1 focuses on evaluation and management of a 53-year-old woman with disturbed sleep.

Case 2 evaluates treatment options for a 65-year-old woman with a history of insomnia and recent onset of urinary urgency.

Educational Objectives

Upon completion of this activity, participants will be able to:

- Evaluate the latest findings on diagnosing and managing insomnia in older adults
- Apply updated efficacy and safety data on management of insomnia to practice
- Develop individualized treatment plans for older adults with insomnia, taking into consideration the most recent clinical data as well as comorbid conditions

Accreditation and Credit Designation Statement

Physicians: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Florida College of Medicine and PVI, PeerView Institute for Medical Education. The University of Florida College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Florida College of Medicine designates this educational activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses: Amedco, St. Paul, MN, is an approved provider of continuing nursing education by the Wisconsin Nurses Association Continuing Education Approval Program Committee, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This course is co-provided by Amedco and PVI, PeerView Institute for Medical Education. 1.0 contact hour(s).
